CONTACT No. 031 537 8998

WEBSITE: [thekwinioccupationalservices.co.za](http://thekwinioccupationalservices.co.za)

Looking after the health of your employees is not only a legal and moral responsibility, it also makes sense financially. Reducing the cost of absence through sickness and ensuring your workforce is operating at peak efficiency.

## What is Occupational Health?

Occupational health services will help keep your employees healthy and safe whilst in work and manage any risks in the workplace that are likely to give rise to work-related ill health.

Research shows that the longer people are off sick, the less likely they are to make a successful return to work.

## Benefits of Occupational Health

### To the Employer

- a well-managed health and safety programme
- a positive and caring image
- improved staff morale
- reduced staff turnover
- reduced absenteeism
